Balasuma Rao has taken up the M B C M. Course for which the scholarship is tenable for 5 yrs. For the first year of his course the scholarship was not availed of he did so from 1st Oct 95 & forfeited it in July 97. He has thus drawn the scholarship for one year & nine months only out of the four years for which it would have been continued under the order of July 94 but for the interruption caused by his failure in the first M B C M.

3 Exam^n - which he has since passed - The renewal of the scholarship extended 2 years more, would, if sanctioned, be within the period covered by the order of 9 July/94 10/8.

Dcary No 1067/58

From

H J BHABHA ESQ,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

SIR,

With reference to docket No 11/637 dated the 20th instant from the Principal of the Medical College, Madras enclosed herewith for reference and kind return, I have the honour to inform you that K Balaramba Rao was awarded a medical scholarship of Rs 25 in 1894 by Government Order No 17-18 (Educational) dated the 31st July 1894 Without availing himself of the scholarship, he joined the College in October 1894 and for one year prosecuted his studies in the Medical College without the help of a scholarship By Order No 13690-1/ED 577-96 dated 20th June 1896 he was given a scholarship of Rs 25 for the remaining period of

his course with effect from 1st October 1895 This scholarship he enjoyed for about two years, and forfeited in July 1897 on failing to pass the First M B & C M Examination. He then studied on his own account for a year, and passed the First M B C M Examination of last April He now begs that his scholarship may be renewed for two years more from 1st July 1899 to enable him to pass the Second M B C M Examination, and the Principal supports the application saying his College record has been good It will be seen that during a period of more than four years' study at the Medical College he enjoyed the Government scholarship for two years only. Under these circumstances I submit it for the decision of Government, whether the scholarship may be renewed for two years longer

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General.

Madras Medical College

Respected Sir

I beg to bring the following to your kind consideration

I passed the 1st M B examination (old regulations) held in April 1899 & was pleased to grant me a Mysore Government Scholarship which I drew for a period of two years & it was discontinued from what date? when I had the misfortune to fail in the 1st M B examination. The failure was partly, if not solely, due to the uneasiness of mind occassioned by domestic troubles. Last year I studied in your

private, applied for & passed the examination
I am unable to continue the Course any on.
Cost; as my father is only a poor pensioner of the
State drawing Rs 10 a month. I was enabled
to study thus far in the line mainly by the help
of the scholarship I was getting & earnestly
beg you to, kindly Continue the scholarship
for the next two years that I shall have
yet to go through Instances of your having
shewn a similar kindness even to those that
failed, gave me hopes of getting my Scholar-
-ship back again when I should pass the
examination & it was this hope that urged me
to Continue last year Else I would have been
obliged to give up the idea of the profession
once for all though I wished ever so much
to Complete the Course successfully

I beg you to kindly Consider my Case
with a favourable eye & grant me my
prayers, for which I shall ever be grateful
to you

I beg to remain
Sir
